Membership is every members' responsibility so all Legionnaires, SAL, Auxiliary, and Riders are invited and encouraged to attend. We need to change the path to stabilize membership and stop the slide to oblivion.

For all but District 1 and 9, registration will begin at 9AM and the seminar will start at 9:30AM, targeting to finish by 1PM with lunch to follow. All District, County, and Post Commanders, as well as Vice Commanders and Membership Chairpersons are recommended and encouraged to attend.
