Membership is every member's responsibility so all Legionnaires, SAL, Auxiliary and Riders are invited and encouraged to attend. We need to change the path to stabilize membership and stop the slide to oblivion.

For all but District 1 and 9, registration will begin at 0900 and the seminar will start at 0930 AM, targeting to finish by 1pm with lunch to follow. All District, County, Post Commanders as well as vice commanders, and membership chair persons are recommended and encouraged to attend.
