

# RESOLUTION

Resolution No. 2106 A

Subject Cyber Security

Referred to Convention Resolutions Committee

**WHEREAS**, Cyber security has become a new threat to America and its citizens by the actions of those who have hijacked IP addresses in order to fund terrorists and illegal activities by establishing fake websites in the victim's name in order to promote identity theft, pornography, profanity, illegal drug sales, and other criminal acts that cannot be traced to the sender;

**WHEREAS**, The American Legion has helped maintain Law and Order programs over many years in support of God and Country; Therefor Be It,

**RESOLVED**, That the American Legion petition Congress to have the Federal Communications Commission hold the internet platforms such as Twitter, Facebook, and others to the same moral standards that the commercial and amateur broadcasters are held to.
