

The American Legion

DEPARTMENT OF NEW YORK

1304 Park Blvd • Troy, NY 12180

TO: County Treasurers
FROM: James W. Casey
Department Adjutant
Date: 1/31/2024
RE: County per Capita Collection

For many years, the Department Headquarters has been responsible for collecting and dispersing the County portion of membership dues to individual Counties. Unfortunately, this is no longer sustainable, and we cannot continue to do so.

As of **July 1, 2024**, the Department will report \$0.00 owed for each County per capita to National, meaning that Counties are now responsible for collecting their own per capita money from their inclusive Posts. This procedure is already in effect across the SAL, one Legion County, and throughout the Legion regarding PUFLs.

We will work with National to finalize figures as of June 30, 2024, and will send out a final total and receipt once complete.

Thank you for your patience and understanding.
