Please make sure you bring enough of your prescription medications to last the entire 6 days of the program. We cannot provide these medications for the Delegates.

All prescription medication must be turned in to your Counselor and stored at the infirmary. Any unused prescriptions/medications must be picked up by the attendee upon conclusion of the program. All medications left behind will be disposed of.

Please do not bring any over-the-counter medications (e.g., Aspirin, Tylenol). These will be provided as needed by the staff at SUNY Morrisville.

Delegates are allowed to bring cell phones. It is the citizens' responsibility to safeguard their phone. Phones may be used when Time & Schedule allows. They must be in silent mode during all Assemblies, Seminars and when in the Mess Hall.
