ELIGIBILITY

Eligible participants in The American Legion High School Oratorical Scholarship Program – “A Constitutional Speech Contest” shall be **citizens of or lawful permanent residents of the United States**.

All contestants must be bonafide students herein described as any student under the age of twenty (20) years on the date of the National Finals Contest and who is presently enrolled in high school or junior high school (public, military, private, or parochial, or who are home schooled) in which the curriculum is considered to be of high school grade level commencing with grade nine (9) and terminating with grade twelve (12). Students must be enrolled in high school or junior high school during the time of participation at any level of the contest. High school students that graduate early during the school year are eligible to compete if they are not enrolled in a college, university, trade school or other institution of higher learning at the time of the Department finals contest. Contestants must either be legally domiciled within or attend an educational institution within the department (state) where they enter competition. Contestants can enter competitions in only one department (state).

TIME AND PLACE OF ELIMINATION CONTEST

County, District, and Zone Contests will be held in a timely manner to coincide with Department and National certification dates. The Department Contest will take place March 6, 2027, with a cancellation date of March 13, 2027.

ELIMINATION CONTESTS

The contest shall be conducted based on successive elimination contests: first by **Schools (if applicable)**, second by **Semi-County** and/or **County**, third by **Semi-Districts and/or Districts**, and fourth by **Zones**. The Zone contestants will compete for State honors and prizes at a contest to be held during the month of March.

The high school authorities are authorized, but not obligated, to conduct a contest to select their entries. A school may enter up to three (3) students into the County Contest provided the school certifies each student's entry on the official entry form (FORM # 1). A student who attends school in a county that does not participate in this program, but resides in a county that does participate, shall petition the Department Chairman for entry in the contest where he/she resides, provided, however, the school the student attends certify his/her entry. If neither county participates (that is, where the student attends school or where he/she resides), the school certifying the student shall petition the Department Chairman for entry into another County Contest and/or entry into the District Contest. There are no limitations on home schoolers, but the official entry form (FORM # 1) must be submitted. Home schoolers must compete in the county they reside in. If the county they live in does not participate in this program they may petition the Department Chairman to compete in the next closest county that does. Students will be allowed to read their orations at the HIGH SCHOOL LEVEL ONLY. At all contests above the high school level, including semi-county contests, contestants will be required to present their speeches from memory.

Each District will structure their contest to conform to the number of contestants that have applied to compete in the County contests, and how many will advance into the District contest or contests. **No County or District will have more than six contestants in any preliminary or final contests unless approved by the Department Chairman.** The District Chairman will report the first and second place winners to the Zone Chairman.

A contestant, who may have no competition in any contest, shall be certified as the winner of that contest, and said contestant shall be eligible for the next higher competition.

NATIONAL CONTEST

The National Contest is tentatively from May 14 to 16, 2027, at Hillsdale College, Hillsdale, Michigan. The New York State winner is eligible to participate in the National Quarter Finals Contest. The winner of this contest is eligible to compete in the National Semi-finals Contest. The winner of this contest then participates as one of the Three National Finalists where 1st place is awarded a college scholarship of \$25,000, 2nd - \$22,500, and 3rd - \$20,000. **The three National Finalists are ineligible for further participation at any level.**

CONTEST REGULATIONS

The Department of New York rules as set down in this brochure follow the National Rules very closely. This is done to prepare the contestant for the Department of New York finals and succeeding National Contests.

Uniforms are not permitted. Appropriate business attire is required of all contestants. Contestants are not permitted to wear clothing with school names or awards and medals from previous competitions.

The use of notes, amplification, lecterns, or speakers' stand by contestants, or prompting in any manner is **NOT** permitted **EXCEPT** at the high school level. The use of any type of audio/video recording, electronic/digital data gathering, receiving, and/or transmitting equipment in any form by the contestants or members of the audience is prohibited.

A drawing shall be held by an official of the contest to determine the order in which all contestants will appear. This order will remain the same for both the prepared oration and the assigned topic discourse.

The time allotted for each contestant to deliver their prepared oration shall not be **less than eight (8) or more than ten (10) minutes** and for the assigned topic oration, **not less than three (3) or more than five (5) minutes**.

An official timer shall be named by the Contest chairman whose duty shall be to keep an accurate time record of each contestant and the timekeeper shall be located on the main floor in full view of the contestants. **The timekeeper shall begin timing each contestant at the start of the prepared oration.** The timer will be equipped with timecards for the prepared oration carrying the numbers 8, 9, and 10. When 8 minutes have elapsed, the time warning card with the figure 8 thereon shall be shown to the speaker, following cards 8, 9 and 10 as the speaker progresses. The same procedure shall be used with cards bearing the numbers 3, 4, and 5 during the assigned topic discourse. The Contest Chairman shall announce the time used by each contestant for the prepared oration and the assigned topic discourse once the contestant has left the room. The Contest Chairman will then announce any violation of time for each contestant for the benefit of the judges. **A Penalty of ONE (1) POINT will be deducted from the final score for each minute, or fraction thereof, over or under allotted time for the prepared oration and the assigned topic discourse.**

In the prepared oration, as well as in the assigned topic discourse, quotations must be indicated as such. Where quotations are more than **ten (10)** words in length, the author's name must be given in the manuscript and cited orally. **The singing of a song(s) is not permitted and will result in the IMMEDIATE DISQUALIFICATION of the contestant. The contestant may, however, quote a verse(s) of a song provided proper attribution is made.**

ALL CONTESTANTS AT EACH CONTEST LEVEL ARE REQUIRED TO SPEAK IN THE ENGLISH LANGUAGE FOR BOTH THE PREPARED ORATION AND THE ASSIGNED TOPIC ORATION. It is acceptable to utilize or incorporate short phrases of a foreign language into the prepared oration and/or assigned topic to develop the argument, establish a point, etc. It is to be understood that much of the prepared oration and/or assigned topic must still be delivered in the English language.

THE PREPARED ORATION

The prepared oration must be on some aspect of the Constitution of the United States with emphasis on the duties and obligations of a citizen of our government. The same subject and oration used in the county, district, and zone contests must be used in the department and national contest.

The prepared oration must be the original effort of each contestant and must not take less than eight minutes or more than 10 minutes for delivery and must be memorized.

Contestants may have in their possession a copy of their prepared oration in the first holding room. The copy may be electronic or paper form. They may consult their copy of their prepared oration, until they exit the holding room to begin the contest, at which time the copy of the prepared oration will be surrendered to the contest official who is monitoring the first holding room. All will be returned to the contestant at the end of the contest.

ASSIGNED TOPIC

The Assigned Topic Discourse will be part of all contests from the County through the National Contest.

The assigned topic discourse must not take less than three minutes or more than five minutes to deliver. The purpose of the assigned topic discourse is to evaluate the speaker's knowledge of the subject, the extent of his or her research, and the ability to discuss the topic as related to the basic principles of government under the Constitution.

The assigned topic shall be drawn by the contest official in full view of the audience immediately before the last speaker begins delivery of his/her prepared oration and will be made known to the audience and each contestant approximately five (5) minutes prior to the time of delivery. The topic will be on some phase of the Constitution of the United States selected from Articles and Sections as listed under assigned topics for the current year's contest in this brochure.

During the preparation period, the contestant must not consult any books or person and may refer only to the actual words of the topic provided on the card drawn.

The Assigned Topic Discourse must not take less than three minutes or more than five minutes for delivery and must be memorized.

JUDGING STANDARDS

The judges are a very integral part of the Oratorical Contest. Their qualifications are considered carefully as the decision of the judges is final and must be reached without bias. Impartial judging in all contests is the key to fairness and success of the program which results in the selection of a Department Champion and, ultimately, a National Champion. No contest should be judged by an even number of judges.

JUDGING SYSTEM

No publicity should be given to the names of the judges prior to the Contest. During the Contest, the judges shall be seated in different locations in the auditorium and each judge shall render his/her decision without consultation with other judges or any other people.

Judges will be advised that lack of emphasis in the prepared oration and assigned topic discourse on the duties and obligation of a citizen must result in their downgrading of the contestant involved. Judges are permitted to downgrade a contestant up to a maximum of **ten (10) points** for failure to speak on the Constitution.

The Contest Chairman will announce any violation to time for each contestant. **A penalty of one point for each minute or fraction thereof shall be assessed against the contestant's total score. A copy of the judge's scorecard is on the last page of this brochure.**

The judges, tabulators, and the Contest Chairman, following the last Assigned Topic Discourse, will proceed to a private room for final review and tabulation.

County, District, Zone, and Department Chairmen are required to review all judges' scorecards from their respective contests within twenty-four (24) hours to ensure that the appropriate results were certified based on official rules, regulations, scoring, and tie-breaking procedures. If a mistake is found within twenty-four (24) hours, the respective chairman will contact the Department of New York Oratorical Chairman at ((H) 516-308-7019 or (C) 516-361-4687) for further instructions. Protests are subject to the same twenty-four (24) hour rule. Exactly twenty-four (24) hours after a contest result is announced, those results become **OFFICIAL** and **CANNOT** be changed.

TABULATORS

The Contest Chairman will appoint no less than three tabulators for the Department Finals contest. It will be their responsibility to review the judges' scorecards to be certain they are fully tabulated and signed before they are submitted for final tabulation. The Record of Choice will be used to determine the winner. If there is a tie the use of the two-way tie breaking procedure will be used.

Judges' scorecards for Department Finals **will not be divulged** to anyone at the site of the contest. The judges' scorecards become the property of The American Legion Department of New York.

DISQUALIFICATION

If, due to a violation of the contest regulations, a contestant is disqualified or voluntarily withdraws from the contest after having progressed through one or more of its stages, his/her place is to be taken by the contestant adjudged next best to him/her in the competition in which he/she participated prior to disqualification or withdrawal.

Should a contestant become suddenly unable to compete or withdraw from competition, then his/her place is to be taken by the contestant adjudged next best to him/her in the last competition in which he/she participated prior to his/her disability or withdrawal, provided said contestant is available and can proceed with the competition without unduly delaying the contest. If said contestant cannot be made available in time to receive briefing and permit starting the contest at the posted time, then the contest shall proceed with the available contestants.
